Planning Commission to Host Open House

Regarding **Draft Zoning Ordinance** and **Draft Zoning Map**

Tuesday, October 19, 2021, from 6:30 – 8:30 PM at the Duluth Town Hall

As you may be aware, the Planning Commission has been working on updating the current Zoning Ordinance and Zoning Map in light of the updated Comprehensive Land Use Plan adopted in 2020. The Planning Commission met from January through June 2021 to consider changes to the Ordinance and Map.

The purpose of the Open House is to share information regarding the **Draft Zoning Ordinance** and **Draft Zoning Map**, to answer questions regarding the **Drafts**, and take comments regarding the **Drafts**. The Planning Commission will take written comments on the **Draft** from October 19 through November 5, 2021. These written comments will be used to inform the **Proposed Zoning Ordinance and Zoning Map** that will be used for the Public Hearing.

The **Draft Zoning Ordinance** and **Draft Zoning Map** will be available on the website (www.duluthtownship.org) on October 19 and a paper copy will be available for reading at the Town Hall.

There are a number of ways that you can comment on the **Draft Zoning Ordinance and Map**. Send your written comments via e-mail to town-clerk@lakenet.com with "New Zoning Ordinance" in the subject line, via U.S. mail to the Duluth Town Hall, 6092 Homestead Rd, Duluth, MN 55804, or drop them off at the Town Hall. Please include your name and address on your written comments.

There are several opportunities for the community to comment on changes to the Zoning Ordinance and Zoning Map. They are as follows:

- **Community Open House October 19, 2021**, at the Town Hall. Comments will be accepted from October 19th through November 5, 2021.
- **Public Hearing in December 2021**— Check out the November Newsletter and Town website for specific date and time.
- **Adoption of Zoning Ordinance and Zoning Map – First part of the Year in 2022** – Check out the Newsletter and Town website for specific date and time.

The Planning Commission looks forward to seeing you at the Open House!

We are now in the fourth year of our driveway fire sign project supplying residents with new reflective double-sided signs. Our initial survey found 795 addresses that needed an updated sign or had no sign at all. To the 260 of you who have installed the new signs, we thank you. 535 signs remain unclaimed.

The new signs are far more visible and easier to read than the old obsolete signs. The new signs have the number on both sides and are mounted such that they can be seen when coming from either direction and from farther away.

These signs are critical when emergency personnel are trying to find your home.

All we ask is for you to pick up your new sign from the Town Hall during regular office hours and install it at the end of your driveway. The sign, post and hardware are all free. In anticipation of continued apathy towards completing the installation of the remaining signs, we have added a line item of \$12,000 to the Clifton Fire Department budget for 2022. That is the estimated cost of hiring a contractor to install the remaining signs.

This expense can be averted simply by you and your neighbors doing this for yourselves. So please, install your new sign!

If you are unsure if your fire number is up to date, all it takes is a simple call to the Clerk's office to check: 218-525-5705

Summary of Planning Commission Meetings

Official minutes by Planning Secretary Beth Mullan are available on our Township website: www.duluthtownship.org

Summary of Town Board Minutes

Official Minutes by Town Clerk Ann Cox are available at the Town Hall and on our Township website: www.duluthtownship.org

June 24 Planning Commission Meeting. Commission members present: Liz Strohmayer, Dave Edblom, Angela Wilson, Pam West, Blane Tetreault, and Justin Osadjan.

A public hearing for variances for an addition to a home on Greenwood Road was held. Variances were needed from the side yard setback, the lot width, and the lot size. The addition will add a bedroom and living space to the existing home. The total area of the home will be 1150 sq ft with the addition. The variances were approved as presented.

A public hearing for a high-frequency short-term rental at 5668 North Shore Drive was held. The applicant planned to use a portion of his home for the rental and anticipated being present for all rentals. The rental would be a separate living space with a separate entrance from the primary residence. The applicant presented detailed plans for the rental, including rules and plans for oversight. There was no public testimony, for or against. The Commission voted unanimously to grant an interim use for the rental for a period of 18 months, commencing on July 1.

The Commission continued the discussion of adding glamping as a use to the draft Ordinance. The Commission felt that glamping sites most closely resembled short-term rentals and should require an interim use permit. The name was changed to "isolated camping site." The minimum area for a site was set at 20 acres with multiple sites allowed on larger parcels, as long as there are 20 acres per site. The maximum stay was set to 4 days, and all setback distances except for the road setback were doubled. The definition agreed to was "A temporary, short-term rental use occurring in a temporary living space made of canvas or similar material which may or may not be on temporary platforms that offers outdoor camping experiences with amenities such as beds, cots, and heat. Plumbing is not permitted. No isolated camping site shall be located, placed, used, or occupied for residential purposes."

July 22 Planning Commission Meeting. Commission members present: Angela Wilson, Pam West, Blane Tetreault, and Justin Osadjan.

A public hearing for a conditional use for a short-term rental at 5420 McQuade Road was held. The owners of the home teach overseas and bought the property so that they would have a home during the school year breaks over the summer and at Christmas. They are currently living in the home and plan to return to live in it full-time when their children reach school age. One person spoke against the proposed rental, citing an increase of strangers in the neighborhood and possible trespass on others' property. The vote on a motion to deny the rental resulted in a tie. The vote on a second motion to approve the proposed rental for a period of six months also resulted in a tie. The discussion was tabled until the August 26 meeting.

See the Town's website under Planning & Zoning, Minutes, for further information.

Planning Commission meetings are open to the public.

June 10 Regular Meeting. In attendance: Supervisors Michael Kahl, Tim Strom, Rolf Carlson (Chair), John Schifsky, and Penelope Morton; Town Clerk Ann Cox; Deputy Clerk Nicole Chatterson; and Treasurer Mel Peulen. **Reports:** Treasurer: Beginning balance \$474,213.15, deposits of \$830.12, expenses of \$33,426.92, ending balance of \$441,616.35. Penny made a motion to remove all 2019 outstanding checks from the books, Michael seconded. Motion passed unanimously. Penny made a motion to close the petty cash account at Wells Fargo, John seconded it. Motion passed unanimously. Public Comment: Co-op Light and Power Right of Way (ROW) Clearing: Pat Schneider was invited to the Town Board meeting for a discussion on ROW clearing and herbicide spraying done in 2020 to be continued into 2021. Pat would like to know what the Board members are hearing about the ROW clearing. Handouts will be available at the Town Hall and on our website: www.duluthtownship.org. A petition is being generated by Mary Hennessy, you may contact her at mushmoe@gmail.com. It was most concerning to find out that CLP does not have a contract with the ROW contactors and no inspectors to follow up on work being done. Police: Property complaint: Ryan Road and Stoney Point. Blue Bird Landing: Someone backed a trailer to the lake and dumped a trailer full of brush slashing. Roads: Order for Chloride is at Edwards, just waiting for the chloride to come in. Emergency Operations: Tim made a motion to go back to our pre-covid conditions, Penny seconded. Discussion: People who have not been vaccinated should consider wearing a mask as recommended by both the State and CDC. Motion passed unanimously. Old Business: Blue Bird Landing Rocks: DNR does not have rocks but suggested we could get rocks though Joe Mecklin. We will purchase 6. Penny made the motion to purchase rocks not to exceed \$700, John seconded. Discussion: Tim will put flags in place. The motion passed 4 ayes with Tim abstaining.

July 8 Regular Meeting: In attendance: Supervisors Penelope Morton, Rolf Carlson (Chair), Tim Strom, and John Schifsky; Town Clerk Ann Cox; Deputy Clerk Nicole Chatterson; and Treasurer Mel Peulen. Supervisor Michael Kahl was absent. **Reports:** Treasurer: Beginning balance \$441,616.35, deposits of \$16,605.86, expenses of \$36,213.41, ending balance of \$422,008.80. Police: **New Vehicle resolution 070821** Rolf read the resolution in its entirety; following a discussion about the lease-to-own purchase Penny made a motion to approve the resolution, Tim seconded. The motion passed unanimously, and the resolution was signed. FYI the County has changed the stop sign on the lower Mcquade. Town Hall: Tim would like to make a motion that the Clerk and Deputy Clerk are authorized to spend up to \$1500 to replace the faucet in the women's bathroom, Penny seconded. Motion Passed. Old Business: Annual Meeting is coming up August 10, the proposed budget is fine no changes.

Regular **Planning Commission Meetings** are held on the fourth Thursday at **6:30 p.m.** in the Town Hall

Regular **Town Board meetings** are held on the second Thursday at **6:30 p.m.** in the Town Hall

News from North Shore Community School

Shelly Pierson, Executive Director

Fall School Planning

North Shore is in the planning phase for the start of our 20th year! The first day of school is **Wednesday, September 8**. School hours are from 8 a.m.-2:40 p.m. (bus dismissal) and 2:50 p.m. (parent/family pick-up). We will be in-person learning for five days a week and putting into place a number of prevention strategies to help us remain in-person as much as possible. Stay tuned for more information.

Exciting News!

Breakfast and lunch will be free to all students this year. As a reminder, please complete the free and reduced lunch application! This is used to determine the amount of federal funding we receive to support our students.

School Updates

Thank you to those volunteers who helped spread wood chips on the nature trail! It is nice to have a good section of our trail covered for adventurers.

The baseball diamond is also receiving a facelift with all the grasses removed and new clay being spread.

The playgrounds have also received new rock and all areas are ready for students to explore and play!

Wildfires: Six P's

Clover Valley Fire Department

When wildfires break out, residents sometimes have just minutes to escape.

If you find yourself needing to evacuate at a moment's notice, safety officials advise remembering the six P's.

- People and pets.
- Papers, phone numbers, and important documents.
- Prescriptions, vitamins, and eyeglasses.
- Pictures and irreplaceable memorabilia.
- Personal computer hard drive and disks.
- "Plastic" (credit cards, ATM cards) and cash.

Officials said another important P to remember — Protect your property.

Clover Valley Farmers Market Midsummer Report

Blane Tetreault

The warm, dry summer has been both kind and cruel to our local farmers. The plentiful sunshine sparked the growth of plants, but the lack of rain failed to provide a key ingredient for fruit growth. Nevertheless, with the addition of some manual irrigation, the growing season has been a fairly generous one. And now, the fruit has become a plentiful and welcoming sight at the Clover Valley Farmers Market.

From Ours to Yours.

Beans and lettuce were amongst the first vegetables to make an appearance. A steady flow of market customers happily made off with generous helpings from vendors. Not to be outdone, tomatoes, carrots, zucchini, and other vegetables soon followed. Tuesday evening shoppers were delighted. Their purchases often were headed home to a dinner plate that very evening.

In addition to vegetable farmers, a variety of other vendors have rotated through the Town Hall parking lot market location. Potters, candle makers, and bakers alike have offered the labors of their passions. All are eager to supply their fellow community members with quality products. A hand-crafted coffee mug, balsam-scented candle, or a blueberry scone can brighten your day and support the local economy.

Come One, Come All.

There never can be too many visitors to the market, so if you haven't been, your presence certainly would be welcome. If you don't visit to purchase items, come to enjoy the free sights and sounds of your community. Come to engage with that neighbor you have always wanted to meet. Or, visit to get out of the house on a warm summer's eve. We all know evenings such as those are sacred in our neck of the woods.

The Clover Valley Farmers Market is held each Tuesday from 4:30 to 6:30 p.m. through September 28. Please join us next Tuesday to shop local, buy fresh, build community, and eat healthy. We will see you at the market!

20/20 Art Tour

Cynthia Lovold

Art abounds in the Township and surrounding community during the Lake Superior 20/20 Studio & Art Tour, September 24, 25 and 26.

This year will mark the 8th annual Lake Superior 20/20 Studio & Art Tour. The tour was started in 2012 to showcase local art to neighbors who would otherwise not be aware these artists existed. The tour had to be cancelled last year due to...well, you know, making this tour the 8th rather than 9th event.

Meet Sarah Brokke with Chrissy Gildersleeve

This year's tour, taking place on the last weekend in September, will showcase new studios and the addition of local farmers hosting artists. One of the more recent studio additions is artist/painter Sarah Brokke's studio at 5731 Ryan Road. Sarah's primary medium is oil paint on stretched canvas. She and her partner moved to the community in 2016 with the intent of finding a property with a studio. It was beyond her dream to buy a home from another painter, already equipped with a generous, well thought out studio space! She is ever inspired by the nature surrounding her home as her works evolve. She is also an illustrator and is an Associate Professor at the College of St. Scholastica where she serves as director of the art program. Sarah will be hosting Chrissy Gildersleeve, a potter from Alden Township.

Artist Joan Bellin Hosts Robert DeArmand and Karen Keenan

Also new to the studio lineup is host artist Joan Bellin at 5119 McQuade Road. Her studio is located near the McQuade Safe Harbor and boasts views of the Lake. Joan is a mixed media artist who is hosting potters Robert DeArmond and Karen Keenan, who also creates jewelry.

Farms Come Alive with Art.

Three local farms will sprinkle the tour as host sites for artists this year as well. Lucky Dog Farm on the App Road will host ceramic artist Ashley Hise and local wood artist Jeff Hall. Jeff lives on Homestead Road as co-owner of Clover Valley Farms and creates beautiful turned wood vessels that bring out the natural grain and form of the wood. Jeff was mentored by previous 20/20 tour artist Jay Conradi.

For more information on the tour and our local artists, please visit www.lakesuperior2020.com

What's in the Kitchen

Nicole Chatterson, Deputy Clerk

Buffalo chicken dip is a go to dip at my family gathering's. If I don't make it, one of my cousins will. It is a quick and easy dip, and most of the time, I have all of the ingredients on hand. This is a nice recipe to pull out of your arsenal for a potluck or to have around for game day. It stays nice in a slow cooker for hours once you mix it all together.

Buffalo Chicken Dip

- 2 (10 ounce) cans chunk chicken drained
- 2 (8 ounce) packages cream cheese, cubed
- 1 cup ranch or blue cheese dressing
- ¾ cup Franks Red Hot
- 1 ½ cup shredded cheese (cheddar or Colby jack)
- 1 ½ cup blue cheese crumbles, optional (but highly recommended!)

Heat chicken and hot sauce in skillet over medium heat, until heated through. Stir in cream cheese and ranch dressing. Cook, stirring until well blended and warm. Mix in half of the shredded and blue cheese, and transfer to a slow cooker. Sprinkle the remaining cheese over the top, cover, and cook on the "Low" setting until hot and bubbly. Serve with celery, crackers, and chips.

I am always looking for new recipes to test in my kitchen. If you have a recipe you would like to share with the community, email the Deputy Clerk, deputyclerkduluthwp@gmail.com. Happy cooking!

American Red Cross Blood Drive at French River Lutheran Church

Date & Time: Tuesday, November 9, 2021 – 1 to 7 p.m.

Place: French River Lutheran Church, 5310 Ryan Road, Duluth, MN 55804

This community-wide blood drive is hosted by the French River Lutheran Church Outreach Committee. Thanks to your support, our previous blood drives have been very successful. All members of the Duluth Township community are welcome and encouraged to donate blood, as the need for blood continues to be great. Appointments are highly encouraged and may be made in one of these ways:

- Going to [RedCrossBlood.org](https://www.redcrossblood.org) and searching for the French River Lutheran Church blood drive using sponsor code **French River**. First time donors will need to create a profile with a username and password (if you don't already have one from donating previously).
- Downloading the Blood Donor App by searching "Red Cross Blood" on the App StoreSM or Google PlayTM store.
- Contacting Beth Luikart (call 218-525-1596, or e-mail her at bluikart@outlook.com).

COVID-19 safety protocols will be followed during the blood drive. Donors and staff will have their temperatures checked before entering the Fellowship Hall; social distancing guidelines will be followed in all areas; and all donors, volunteers, and staff members will be required to wear a mask or face covering. You are encouraged to bring your own mask. If you do not have a mask, one will be provided. Further information about the blood donation process can be found online at [RedCrossBlood.org](https://www.RedCrossBlood.org).

Microplastics: An Arising Contaminant of Concern

Jo Thompson

The Minnesota Pollution Control Agency's August 4 issue of "Stormwater News" spoke to an arising contaminant of concern — microplastics! Microplastics in the environment (small plastic particles less than 5 mm in size) originate from

microbeads used in personal products, fibers from clothing made with synthetic fabrics, and degradation of plastic waste such as food packaging, bags, bottles, etc. Microplastics circulate through the environment in both air and water. When ingested, they are known to have potentially harmful effects on aquatic organisms and other wildlife. Fish can accumulate microplastics, and humans who eat these fish are also subject to potentially harmful effects.

We can all help by keeping plastics out of our ditches and streams. We can reduce our use of plastics and recycle the plastic we do use. The Town's Recycling Center accepts most plastic bottles, containers, and bags! And, we can take a little time to pick up litter from our roadsides and ditches.

Together we can all make a difference.

Stoney Point Beach

Lawrence Burkhard

Stoney Point Beach is one of the gems of our Township. Many people visit the beach to relax, picnic, kayak, surf, fish, and have their children play on the rocks. Over the past few weeks, individuals have been bringing pallets and forms from concrete pours and creating large fires at night. These fires are left to smolder into the next day, leaving nails, screws, staples, and partially burned and unburned wood. The debris creates a hazard for beach visitors and the ash ends up in the lake. Individuals responsible for these fires and resulting debris should be told this behavior is unacceptable and is creating a public health hazard.

Thank you, Jana!

The Township would like to thank Jana Pastika for her many years of volunteer work as Township Librarian. Jana started the free library in a corner of the main Town Hall and moved it into its new home in the Community Room once the Town Hall

addition was completed. Over the years she has tended to many hundreds of books for our residents. She made sure that our little free library was never overrun with too many of the same books, kept the shelves neat and organized, and took time to rotate the books and donate overflow books. Her favorite thing about being the volunteer was getting first peek at the newly donated books and having the pick of the litter! Jana loves to read and she will now have a little more time to do just that. She has really enjoyed her time as Town Librarian and thanks Township residents for the many books they have donated over the years. Jana, we appreciate your efforts and all your hard work contributing to the community of our Township. Thank you!

If you would like to check out the Little Free Library, you can do so by visiting the Community Room during Office hours: Tuesday through Friday, or Recycling hours: Tuesdays, Thursdays, and Saturdays.

August 13, 2021

Dear Town Hall Clerk,

Enclosed is public information regarding herbicide application in your township. The spraying is part of CLP's ongoing integrated vegetation management program for delivering safe and reliable electrical service. The herbicide will be used along CLP's utility easement to control unwanted trees and brush. The herbicide is safe, it is biodegradable, and is approved by the Environmental Protection Agency.

We will be notifying property owners by phone of the herbicide application. We also ask that you please post the enclosed notice in your community messaging area.

If you have any questions regarding the posting, please feel free to contact me.

Thank you,

Working Together for a Cleaner Right of Way

8/12/2021

Dear Coop Light & Power Members/Landowners:

This letter is to inform you that Coop Light & Power (CLP) has contracted Central Applicators, Inc. to perform selective herbicide applications to control the trees and brush along CLP's utility easement. **Maintaining proper clearances in the utility easement is a requirement by both Federal and State agencies.**

Central Applicators, Inc. licensed applicators will be selectively applying biodegradable ENVIRONMENTAL PROTECTION AGENCY approved herbicides along CLP's utility easement where there is unwanted trees and brush.

This service is essential for maintaining a safe and unobstructed utility right-of-way. This is part of CLP's ongoing integrated vegetation management program for delivering safe and reliable electrical service. Most importantly, this will provide unobstructed direct access for CLP line technicians to restore your power safely and timely, in the event you experience a power outage.

IMPORTANT: If you have any special instructions, concerns or would prefer to opt out of the upcoming applications, please call the number listed below by **August 30th, 2021.**

For additional questions, concerns or information pertaining to improving pollinator and wildlife habitat with the aid of herbicides along utility easements please call: Central Applicators, Inc. @ 1-800-642-6559 we will be happy to assist you.

Business Hours: Monday-Thursday 8 a.m. to 5 p.m.

Or you can e-mail your response to: trudia@centralapplicators.com please include your name, address, contact number and parcel ID number(s) in your response.

Thank You.
